Cash, check and credit or debit cards are accepted for payment.

## Insurance

While insurance is not accepted at this time, Dr. Holroyd is happy to provide you with receipts and documentation to submit to your insurance carrier for reimbursement. Services may be covered in full or in part by your health insurance or employee benefit plan. Please review your coverage carefully, and consult with your insurance provider. Consider the following questions when determining if your insurance will reimburse you for therapy:

- What are my mental health insurance benefits?
- Has my deductible been met?
- How many sessions per year does my health insurance cover?
- What is the coverage amount per therapy session?
- Does my insurance require pre-approval from my primary care physician?
